

## Movie Genres

### Assignment 1

Read over the list of major movie genres. Pick any two of the major genres listed, plus any one sub-genre. For each of the ones chosen, list 2 movies (title, year and director) that you believe fall into that genre and explain why using at least one example from the film's plot to back up your argument. Turn this in by \_\_\_\_\_.

*Have a fellow student grade your work using the following checklist:*

Genre 1		genre 1	genre 2	sub genre	Name of student: _____	
					Name of grading student: _____	
movie 1	title					turned in on time?
movie 1	year					paper presented nicely?
movie 1	director					
movie 1	example				A	23 or more boxes checked
movie 2	title				B	20 or more boxes checked
movie 2	year				C	18 or more boxes checked
movie 2	director				D	15 or more boxes checked
movie 2	example				F	14 or less boxes checked

### Assignment 2

Next, each advanced video class member should choose a genre. No two may choose the same genre so make sure each of you is clear as to which one you will work with. Create a video that best demonstrates that genre. This should be a minimum of 30 seconds. Finish your video and work as a class to burn a DVD of all the genre videos by \_\_\_\_\_.

My chosen genre is: \_\_\_\_\_
