

### Presentation – Movie Clips

Bring in on VHS or DVD a movie clip (please nothing graphic or "R") that you have a strong opinion about. *Before your presentation, ensure you will include each of the items listed below:*

- Bring in on VHS or DVD a non-violent clip (cued or chapter noted)
- 30 seconds to 3 minute clip (you may want to show a short one twice)
- Show the clip
- Explain why the specific clip was chosen (using more than one sentence)
- Include 3+ pieces of movie trivia (about the clip, or about the movie) This may be found at sites such as [www.imdb.com](http://www.imdb.com) or [www.moviemistakes.com](http://www.moviemistakes.com).
- Know the names of the characters *and* actors involved in the scene

**No late presentations will be accepted.** If you are unable to come up with a VHS or DVD see me at least two days BEFORE your presentation and I will provide you with a tape to choose a clip from. It's that easy!

*Note: This is a subjective assignment, meaning there is no right or wrong answer, provided you can explain why you chose the clip you did. Your peers do not have to agree with you – it is all about your opinion, so don't stress yourselves out over having the coolest clip. I recommend you aim for something you really like, but maybe no one else has seen before – the less popular movies.*
