

Presentation – Movie Open

Bring in on VHS or DVD a movie open (nothing graphic or “R”) that you have a strong opinion about. While watching the first 10-ish minutes of your chosen movie with the class you should be prepared to discuss the following. *Before your presentation, ensure you will include each of the items listed below:*

- How are the characters introduced
- What is the hook in this film?
- What is foreshadowed that is important later in the film
- Explain why the specific movie was chosen
- Include 3+ pieces of movie trivia about that movie
- Know the names of the characters *and* actors involved in the scene

No late presentations will be accepted. If you are unable to come up with a VHS or DVD see me the week BEFORE your presentation and I will try and find you a movie to show.
